***Maid to Clean*® Earns Coveted Angie's List Super Service Award**

Alexandria, VA--January 24, 2008-- *Maid to Clean*®, an independent cleaning company serving Washington, DC, Virginia and Maryland, has been awarded the prestigious and difficult-to-attain 2007 Angie's List Super Service Award for housecleaning.

This exclusive recognition is awarded at the beginning of each year to companies who have achieved and maintained a superior service rating on Angie's List throughout the past year. Fewer than 5 percent of the companies on Angie's List meet the eligibility requirements to be considered for the award.

"We pride ourselves on customer service," said Cinderella Bermudez, founder and owner of the eco-friendly housecleaning company. "We are pleased that Angie's List recognizes our efforts to exceed customer expectations every time we clean. This award is another indication that we are doing the right thing for our clients."

Maid to Clean® has held top marks for customer satisfaction in a DC-based consumer report for the last 3 years. The company was named 2007 Professional Service Business of the Year by the Alexandria Chamber of Commerce in October of 2007. *Maid to Clean*® also continues to employ Kenia Montalvan, named 2006 Professional Cleaner of the Year by the Association of Residential Cleaning Service Professionals.

"Our Super Service Award winners are the cream of the crop when it comes to customer service," said Angie Hicks, founder of Angie's List. Angie's List Super Service Award winners have maintained an "A" rating overall; have received a minimum number of reports; are NOT in the Angie's List "Penalty Box," and do NOT have an unsatisfactory rating with the Better Business Bureau.
